

In the interest of safety, Tribal Council has closed the FIGR office through October 13, 2017, due to the emergency situation for our area. We will be reopening next Monday, October 16 if it is safe. Please continue to check this site for any updates. We ask that families that have been directly impacted by the emergency please contact the designated shelter that has been set up for your community.

The following contact information has been set up at this time.
